Terms and Conditions

Discount applies to all repairs and labour carried out on the following items: clutch (excluding fly-wheel), brake discs, brake calipers, cambelt, aircon condenser, shock absorbers, steering and suspension joints, lower suspension arms, power steering pump, alternator, water pump (only when replaced as a sole item), radiator or on any part if total cost of parts and labour equates to £100 or more. The 10% discount will be taken off the total price of the specific repair and does not include any service or MOT. Bookings are subject to availability. Voucher can be redeemed until 31st Aug 2010.
